

.think .shape .grow - msg is an independent, international group of companies with autonomous regional companies and subsidiaries and well over 5,500 employees worldwide. We offer a variety of integrated services comprising creative strategic consulting and intelligent IT solutions which produce sustainable added value. We have gained an excellent reputation over the past 30 years as an industry specialist and now rank as Germany's sixth largest IT consulting and system-integration company.

Senior-Consultant Insurance International (m/f)

For location(s): Munich

What you can expect

- Consultancy of operational organizations and departments of renowned companies in the insurance industry within the scope of strategic- or IT-projects
- Expert support in the conception, integration and implementation of standard as well as of individually developed IT systems
- Taking part in project meetings with internal and external project partners and tracking the assigned tasks in reference to the due dates
- Building up a reliable and sustainable relationship to our customers

What you need to offer

- Master or Bachelor (with many years of experience) in Information Systems, Computer Science, Economics or related majors
- Professional experience of minimum 4 years in an insurance or consulting company in an international environment
- Business fluent in German and English
- Very good knowledge of all business processes in the area of industrial and/or re-insurance with the focus on portfolio management system, claims and underwriting
- High affinity to IT
- In-depth knowledge of the branch and years of experience with migration
- Analytic and structured working method, also during work under pressure
- Self-responsibility, respectable appearance at the customer, highly client- and result-focused
- Willingness to travel (national and international) and enjoy solving complex tasks with a team

What we offer

Are you looking for versatility instead of an every-day routine? Team spirit instead of rigid hierarchies? Then you have come to the right place! We offer exciting, challenging jobs, attractive career opportunities and international perspectives. What is more: we also offer flexible work models, generous social benefits and a professional, collegial work environment where you can be part of a highly-motivated team.
